

Spiders of Bendigo and Victoria's Box Ironbark Country

Important information

Errata and updates

To update your copy, please write the following changes into your book:

Inside front cover:

Drawing 2

swap labels *femur* and *tibia*

patella refers to the segment of the leg between the femur and the tibia

Page 4:

1 January should be 30 January

Page 11:

last paragraph: change *Eriophora* to *Backobourkia*. Now *Backobourkia heroine*.

Page 12:

Paragraph 1: *Araneus ?hamiltoni* (Rainbow 1893) should be *Cyclosa fuliginata* (L. Koch 1872), according to Volker Framenau.

Paragraph 2: Change *Araneus eburnus* to *Plebs bradleyi* (Keyserling 1887) (change of genus name, change of date).

Page 18:

Photo 24 is of *Backobourkia* either *heroine* or *brouni*

Page 19:

Photos 25 and 26 are *Cyclosa fuliginata* (L. Koch 1872), sooty org-weaver.

Photo 27 is *Plebs bradleyi* according to Volker Framenau. *Plebs eburnus* also occurs in box-ironbark forests in Victoria. According to Ron Atkinson, in *Plebs eburnus* the abdominal colour scheme is quite variable, sometimes being a uniform green or yellow and sometimes a patterned red and white.

Volker Framenau recently revised the enamel spider group, and he erected the new genus for them: *Plebs*.

Page 27:

Photos 63 and 64 are of *Parasteatoda tepidariorum* (new genus name)

Photo 62 is of *Cryptarchaea veruculata* (new genus name)

Page 28:

Photos 65 and 66 are of *Ambicodamus crinitus*

Photo 67 is *Ambicodamus* sp

Page 30:

Photos 78 and 79 should be *Runcinia acuminata*

Page 37:

Photo 112 should be *Rebilus grayi*.

Page 39:

Photos 117 and 118 are of *Mituliodon tarantulinus*

Photo 119 is of *Nyssus coloripes*

Page 40:

Photo 122 is of *Tuxoctenus gloverae*

Photo 123 is of *Artoria howquaensis*

Page 41:

Photos 125 and 126 are of *Allocosa palabunda*

Photos 127 and 128 are of *Venatrix speciosa*

Page 42:

Photo 132 is *Artoriopsis expolita*, polished wolf spider

Photo 133: *Artoria* sp is now *Artoria victoriensis*

Page 44:

Photo 142 is *Ocrisiona jovialis* (new genus name)

Page 45

Photos 144 and 145 are of *Maratus pavonis* (Dunn 1947), Harp Peacock Jumping Spider. (The male was identified by Julianne Waldock of the WA Museum)

All the *Maratus* spiders are peacock jumping spiders, not glider jumping spiders. The males have flaps which they extend then raise the abdomen to display to females like a peacock. See

Photos 146 and 147 are *Maratus vespertilio* Blue-flap Peacock Jumping Spider

Page 48

Photo 161 is of *Zillimata scintilans*

Page 49:

Paragraph 3: change *Achaearanea* to *Cryptachaea* (Change of genus name, now *Cryptachaea veruculata*)

Paragraph 4: change *Achaearanea* to *Parasteatoda*. (change of genus name, now *Parasteatoda tepidariorum*)

Paragraph 5: Change *Durodamus* sp to *Ambicodamus crinitus* (L. Koch 1872)

Page 50:

Paragraph 1: Change *Diasterea* to *Zygometis*. According to Pekka Lehtinen, this species is widespread, also occurring in Asia.

Paragraph 7: Change *Runcinia elongata* (L. Koch 1974) to *Runcinia acumina* (Thorell 1881)

Page 55:

Paragraph 1: Change *Hemicloea* nr *tenera* L. Koch 1876 to *Rebilus grayi* Platnick 2002

Page 56:

Paragraph 1: Change *Uliodon* to *Mituliodon*

Paragraph 3: Change *Supunna picta* (L. Koch 1873) to *Nyssus coloripes* Walckenaer 1805

Paragraph 8: Change *Zoridae* sp to *Tuxoctenus gloverae* Raven 2008

Page 57:

Paragraph 2: Change *Trabaeosa* sp to *Artoria howquaensis* Framenau 2002

Paragraph 4: Change *Lycosa palabunda* to *Allocosa palabunda* (L. Koch 1877)

Paragraph 5: Change *Lycosa speciosa* to *Venatrix speciosa* (L. Koch 1877)

Paragraph 7: Change *Trochosa expolita* to *Artoriopsis expolita* (L. Koch 1877)

Paragraph 8: Change *Artoria* sp to *Artoria victoriensis* Framenau Gotch & Austen 2006

Page 59

Paragraph 1: Change '*Breda*' *jovialis* to *Ocrisiona jovialis* (L. Koch 1879)

Paragraph 3: Change *Maratus* sp, Harp Glider Jumping Spider to *Maratus pavonis* (Dunn 1947), Harp Peacock Jumping Spider. Julianne Waldock of the WA Museum identified the Peacock Jumping Spiders.

Paragraph 4: Change *Maratus* sp to *Maratus vespertilio* (Simon 1901) Blue-flap Peacock Jumping Spider

Paragraph 5: Change Banded Glider Jumping Spider to Banded Peacock Jumping Spider

Page 60

Paragraph 6: Change *Zillimata* sp to *Zillimata scintillans* (). P.-Cambridge 1869)

Back Cover:

Change *Diasterea* to *Zygometis*
